SENATE BILL

No. 160

Introduced by Senator Cedillo

February 8, 2005

An act to amend Section 76300 of, and to add Section 66021.6 to, the Education Code, relating to student financial aid.

LEGISLATIVE COUNSEL'S DIGEST

SB 160, as amended, Cedillo. Student financial aid: eligibility: California Dream Act.

(1) Existing law requires that a person, other than a nonimmigrant alien, as defined, who has attended high school in California for 3 or more years, who has graduated from a California high school or attained the equivalent thereof, who has registered at or attends an accredited institution of higher education in California not earlier than the fall semester or quarter of the 2001–02 academic year, and who, if he or she is an alien without lawful immigration status, has filed a prescribed affidavit, is exempted from paying nonresident tuition at the California Community Colleges and the California State University.

Existing law, known as the Donahoe Higher Education Act, sets forth, among other things, the missions and functions of California's public and independent segments of higher education, and their respective institutions of higher education. Provisions of the act apply to the University of California only to the extent that the Regents of the University of California, by appropriate resolution, act to make a provision applicable.

This bill would enact the California Dream Act, which would require the Trustees of the California State University and the Board of Governors of the California Community Colleges, and would request the Regents of the University of California, to establish procedures and forms that enable persons who are exempt from paying nonresident tuition under the provision described above, or who meet equivalent requirements adopted by the regents, to apply for, and participate in, all student aid programs administered by these segments to the full extent permitted by federal law. This provision would apply to the University of California only if the regents, by appropriate resolution, act to make it applicable.

(2) Existing law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law authorizes the establishment of community college districts under the administration of community college governing boards, and authorizes these districts to provide instruction, for prescribed fees, at community college campuses throughout the state. Existing law authorizes the waiver of these fees for, among others, students who are eligible under income standards established by the board of governors.

This bill would require community college districts to waive the fees of persons who are exempt from nonresident tuition under the provision described in (1) above, and who otherwise qualify for a waiver under this provision, under regulations and procedures adopted by the board of governors. Because the bill would impose new duties on community college districts with respect to determining eligibility for fee waivers, the bill would constitute a state-mandated local program.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. (a) The Legislature hereby finds and declares
2 all of the following:
3 (1) It is the intent of the Legislature that all students who are
4 exempt from nonresident tuition pursuant to Section 68130.5 of
5 the Education Code and that are deemed to be in financial need
6 shall be eligible for all financial aid.
7 (2) Section 66021.6 of the Education Code, as added by
8 Section 2 of this act, does not grant these pupils any advantage
9 over the student population as a whole in determining who
10 qualifies for, or receives, financial aid.
11 (3) Increased access to financial aid for all students in
12 California's universities and colleges increases the state's
13 collective productivity and economic growth.
14 (b) It is, therefore, the intent of the Legislature to address these
15 issues by enacting the California Dream Act.
16 SEC. 2. This act shall be known and may be cited as the
17 California Dream Act.
18 SEC. 3. Section 66021.6 is added to the Education Code, to
19 read:
20 66021.6. Notwithstanding any other provision of law, the
21 Trustees of the California State University and the Board of
22 Governors of the California Community Colleges shall, and the
23 Regents of the University of California are requested to, establish
24 procedures and forms that enable persons who are exempt from
25 paying nonresident tuition under Section 68130.5, or who meet
26 equivalent requirements adopted by the regents, to apply for, and
27 participate in, all student aid programs administered by these
28 segments to the full extent permitted by federal law.
